# ABOUT US

Established in 1993, Al Fereeh took its first steps as a civil construction contractor with the concept of providing valuable, trustworthy and quality services. Albeit humble beginnings, it laid down the credo for a company that is today steadfastly growing on the strength of its business acumen, values and strengths.

Our ideologies and efforts unified in perfect harmony to make way for a business culture that is now taking strides in civil construction & infrastructure contractor , Building construction raw material, transportation & heavy equipment
